Qaraandin - also called Sistah Q - is the author of the book “*Maintaining Our Temples*” and publisher/ editor of “*Maintaining Our Temples Healthzine.*” Her research on the legal and economic issues behind the way the US dis-ease management system is run helps her clarify how and why food, medicine and personal care products are used as Domestic Weapons of Mass Destruction against Black folk.

Sistah Q and Del Jones co - founded D & Q Communications, Inc. Since his death, she has worked to fulfill their vision of making it the top publisher of Pan-Afrikan books, magazines, and other communications materials.
